03

Comprehensive VAT and taxation assistance with continuous compliance with the regulations in the UAE.

04

Expert consultancy in mergers, acquisitions, and liquidation services, as well as the ISO certification procedures.

Company Overview

About Arabian Wingz

Headquartered in Dubai, UAE, Arabian Wingz provides comprehensive services including business setup services, tax advisory, VAT and corporate tax compliance, audit and assurance, ISO and IVC certifications, transfer pricing, mergers and acquisitions, and company liquidations. Our team of CPA-qualified professionals brings global knowledge and local proficiency to the table for business solutions.

Mission Statement

We aim to establish Arabian Wingz to be the center for crucial solutions that include accounting, bookkeeping, financial outsourcing, tax advisory, and other related services. We want to build a company based on ethical and results-driven financial solutions with professionals being an experts in their roles.

Market Analysis

Industry Overview

Arabian Wingz is part of Dubai's growing financial services sector, which focuses on business setup, UAE tax, and compliance.

Target Market

Arabian Wingz works with startups, SMEs, and multinationals who are looking for a reliable, professional, and customized financial and advisory service in the UAE.

Competitive Analysis

Arabian Wingz provides exceptional value in the industry through CPA-qualified professionals with international experience. Our strategies and elements are flexible and customized to provide value to our clients as compared to the standard offerings in the market.

Proposed Solution

With a strong understanding of UAE regulations, Arabian Wingz creates targeted and innovative business solutions to launch, support, and elevate enterprises of all sizes.

Problem Statement

The UAE market can be complicated for potential businesses with regulatory challenges, inefficient business setup processes, and limited financial clarity, which further leads to delays, non-compliance, and lost growth potential.

Our Solution

Arabian Wingz simplifies processes through simplified business setup assistance, expert tax advisory, and general compliance solutions. All of these are tailored to fulfill each client's individual needs and market growth objectives.

Value Proposition

Arabian Wingz's reliable solutions bring together global standards and deep local insight to create compliance, efficient workflows, and enhanced sustainable business growth.

Implementation Plan

▶ Development

Arabian Wingz personalizes comprehensive business solutions to actual client needs, carefully examining markets and the range of regulations that comprise the UAE business environment.

▶ Testing

During the testing phase, all operations will be reviewed, and compliance will be measured, tested, and evaluated to ensure all processes are running appropriately before complete operations begin.

▶ Launch Phase

The launch of the company begins with the setup, documentation, and financial structures operating within the required legal framework of business to allow the client to operate in the market.

▶ Full Deployment

Arabian Wingz implements all operations with full support, supervises regulatory compliance and cost savings, and provides maximum efficiency for a successful business.

Benefits and Impact

Impact on Businesses

Arabian Wingz has helped businesses in all sectors to launch effectively, remain compliant, and sustainably grow in the UAE. Our services mitigate operational risk, add transparency to financials, and help entrepreneurs and companies innovate and grow with peace of mind.

Key Benefits

- **Professional Guidance:** Clients access strategic advisory support from CPA-qualified professionals with global experience and knowledge of the UAE regulatory landscape.
- **All-in-One Services:** All services are connected together from business setup to tax advisory to reporting and compliance, resulting in minimal hassle, time, and costs.
- **Growth Strategies:** Arabian Wingz builds tailored strategies for clients in navigating the competitive nature of Dubai's landscape

Our Services

Arabian Wingz provides a wide range of services designed to meet the unique needs of modern enterprises -

▶ Accounting Services

We provide accurate bookkeeping, financial reporting, and compliance-ready accounting solutions tailored to your business needs.

▶ Business Setup

We assist in establishing businesses across the mainland, free zones, and offshore jurisdictions, ensuring full legal compliance. Our team handles documentation, licensing, and approvals for a seamless setup.

▶ VAT Services

Our VAT services cover registration, filing, compliance, and advisory to help you manage Value Added Tax obligations and avoid penalties.

Our Services

▶ Corporate Tax

We offer comprehensive support for corporate tax planning, registration, filing, and compliance to ensure alignment with local tax regulations and efficient tax management.

▶ Business Advisory Services

We guide businesses with market insights, strategy development, and operational improvements to drive sustainable growth and profitability.

▶ Tax Consultancy

Our experts deliver strategic advice on direct and indirect taxes, including ESR and transfer pricing, helping you reduce risks and maintain compliance.

▶ Audit & Assurance Services

Our audits enhance financial transparency, ensure compliance, and improve internal controls with reliable, independent assessments.

Our Services

▶ **Company Liquidation Services** ▶ **ISO Certification**

We manage the entire company closure process, ensuring legal compliance, asset settlement, and regulatory clearances for a smooth exit.

We support your organization in achieving ISO standards by assisting with documentation, audits, and process alignment for international recognition.

▶ **ICV Certification**

We help businesses obtain ICV certification by evaluating and improving local value contributions in alignment with government guidelines.

▶ **Tax Residency Certificates**

We assist in obtaining Tax Residency Certificates for individuals and companies to benefit from double tax treaties and avoid withholding taxes.

Our Services

▶ Anti-Money Laundering

We provide AML compliance services, including risk assessments, training, and policy development, to protect your business from financial crimes.

▶ Business Bank Account Opening

We streamline the process of corporate bank account opening by coordinating with banks and ensuring all compliance requirements are met.

▶ Business Loan

We help secure business loans by preparing financial documents, liaising with banks, and identifying suitable financing options for your growth.

▶ Transfer Pricing

We provide comprehensive transfer pricing solutions, including documentation, compliance, and planning strategies, to ensure your transactions meet local and international regulations.

Our Services

▶ Business Valuation

Our business valuation services deliver data-driven assessments of your company's worth, supporting transactions, investment decisions, financial reporting, and strategic planning with accuracy.

▶ Digital Marketing

We offer comprehensive digital marketing services including SEO, social media management, content creation, PPC campaigns, and analytics to help you build a strong online presence.

▶ Merger and Acquisition

We assist throughout the M&A lifecycle with due diligence, valuation, negotiation support, and post-merger integration to help you execute successful deals.

▶ Trademark Registration

Our trademark registration services help protect your brand identity by securing exclusive rights to your business name, logo, slogan, or product mark. We assist with trademark search, application filing, documentation, and compliance to ensure a smooth registration process and long-term brand protection.

Innovation Roadmap Journey

Ideation Phase

By identifying client objectives and analyzing market gaps, innovative and tailored business and financial solutions are developed.

Development Stage

Strategies and service frameworks are created and aligned with UAE regulations and global best practices.

Implementation Process

Solutions are implemented within a strict timeline, with management of compliance, accuracy, and operational readiness.

Evaluation and Scaling

Performance is analyzed, advancements are made, and scaling strategies are developed to grow businesses sustainably.

Conclusion

Summary

Arabian Wingz provides professional, customized financial and business solutions that will ensure a smooth set-up, compliance, and growth. We convert difficult and complex business barriers into seamless opportunities with expert advice, personalized solutions, and support for building your success in Dubai's vigorous market.
